

Empathy Map

Date	01 July 2026
Team ID	xxxxxx
Project Name	Credit Card Approval Predictor
Maximum Marks	4 Marks

SAYS

- "How long does the approval process take once I submit my details?"
- "I hope my current credit score is high enough to get approved."
- "Why was my previous application rejected without a clear explanation?"

THINKS

- Wonders if applying for this card will negatively impact their credit score.
- Worries about hidden fees, high interest rates, or missing the fine print.
- Hopes the approval system is automated and instant so they can make an upcoming purchase.

PERSONA NAME

Alex
(First-Time
Applicant)

DOES

- Compares different credit card offers and approval odds on financial websites.
- Fills out lengthy online application forms with sensitive personal and financial details.
- Checks their credit score on third-party banking apps before applying.

FEELS

- Anxious about the potential of being rejected and what it means for their financial health.
- Frustrated by confusing financial jargon and lack of transparency in the approval criteria.
- Excited about the potential rewards, cash back, and building a credit history upon approval.
